

COMMA COMMENTS

<http://www.hallettracing.com>

Official Publication of the Competition Motorsports Association

The first thing on the agenda is *El sol y la luna* Six-Hour Enduro scheduled for October 30. We will have night practice Friday eve, October 29th. Please note the separate entry blank on the last page for Enduro participants only. We need 20 paid entries by October 10th to make this happen. Endurance racing turns an individual sport into a team sport, and the camaraderie created at these events is absolutely amazing. Don't miss this opportunity to experience the special atmosphere as the sun sinks in the horizon and the shadows lengthen and as the lights go on, it becomes a whole different world out there.

The results of the August event are below. The Cobra Club of Kansas City joined us in their beautiful equipment for the High Speed Touring sessions. We appreciate them making the trip and hope they come play with us again soon. The Southwest Formula Mazdas joined us as our feature event series. Some great battles took place all through the 16-car field; Tulsan David Stover came out on top both Saturday and Sunday. Darryl Wills and Russell Walker had a barn-burner of a battle for second on Saturday with Darryl coming out on top; Sunday it was Russell who took second.

Special thanks go to workers Karen Fearing and Jim Hughes for handling start and grid in the absence of our regulars Bill and Sandy Sarten, to Scott Stephens for taking over the PA duties for a recovering Neil Kennedy, to Tom Kishner and Doug Friedman for a sterling job of handling the pace car and the full course caution during Sunday's FM Feature, to Wrong Way Randy for an unbelievable job of clearing two separate incidents (one at 11 and one between 3 and 4 in a very difficult area to reach with only three laps of caution). Our group of workers and officials continues to become more and more professional; we thank you all for helping make the COMMA series enjoyable for everyone.

We will race counterclockwise for both the September round and *El sol y la luna* in October. We are probably not quite ready to attempt night racing in the clockwise direction!

Special opportunity for High Speed Touring participants September 25th : COMMA along with Stars & Stripes Motorsports will have a drawing during the 9:30 classroom Saturday morning; the lucky winner will get a ride in the new Radical SR3 two-seated sports racer during the lunch break.

FYI: Starting March 2005 there will be an increase (the first in several years) in the COMMA and HST entry fees. Membership/ license will remain the same.

COMMA feature races for August event:

GT-1: Ron Forristall, Mike Lindsay, Bill Nystrom
GT-2: Richard Stephens, Stephen Cox
GT-3: Gordon Beavers, Scott Kidder, Michael Hutchens
PS: Marty Wagner, Randy Wagner
